CAN YOU DESCRIBE YOUR STYLE?

My style is dramatic & Romantic. I wear bright colours to suit my colouring and fluid lines to suit my body shape.

WHAT IS YOUR FAVOURITE PIECE IN YOUR WARDROBE?

Black Armani jacket my investment piece beautifully cut, works well with my bright dresses, tops and skirts. Classic black skirts and trousers.

WHAT ARE YOUR FASHION MUST-HAVES?

My fashion must-haves would be lots of accessories, Top Image tan and Red & Cerise lipstick.

BAGS OR SHOES, CAN YOU CHOOSE BETWEEN THEM?

I prefer good quality investment bags- Black for winter and Gold for the summer. I recently received a beautiful gold Gucci handbag from my husband Cormac for my birthday- I love it!

WHERE DO YOU SHOP, LOCALLY OR FURTHER AFIELD?

I travel a lot on business so I buy all over the world having said that I love to shop in Cork. A few of my favourites would be Sheena's, Style for Life and BT's.

HOW DO YOU KEEP YOUR SKIN AND HAIR LOOKING SO GOOD?

I have inherited fantastic hair from both my parents so I do very little with it as its thick and healthy. I colour every 4 weeks and cut it every 2/3 months. My skincare is very good I really look after it using the best of creams especially eye & neck creams. I don't sunbath and I drink lots of water.

WHAT ARE YOUR SECRET MAKE-UP SUPPLIES?

My secret make up supplies would definitely be Top Image tan! It's amazing I would not travel without it. It dries in less than 10 seconds; it gives an instant natural colour and is ideal for Irish skin like mine.

WHAT NEW PIECES ARE YOU LOOKING FORWARD TO BUYING THIS SEASON?

I just bought a few nice dresses & a cerise coat in Sheena's and Style for Life which will work well for business & with a change of accessories will work equally as good for evening time.

WHAT IS YOUR PRIZE POSSESSION?

An escarda, three piece purple knitted suit. I have it about seven years, I can wear each piece separately, add accessories to transfer day to evening it is always admired. It is dramatic in colour but always classic, dateless.
